

Secondary School Supply List

- 1 box Pens
- 1 box Pencils
- 1 Eraser
- 1 Pencil Sharpener
- 3 Binders
- 10 Dividers
- 2 pkg Loose-leaf Paper (A4 lined and hole-punched)
- 2 Highlighters
- 1 Calculator (please label with the student's name)
 - Students in Grades 10-12 must have a Graphic Calculator (i.e. Texas Instruments TI-84 Plus)
 - Students in Grades 7-9 must have a scientific calculator
- 1 Geometry Set
- 1 Refillable Water Bottle
- 1 set Coloured pencils (Grades 7-9)

In the secondary school, we are moving away from using notebooks; binders with loose-leaf and dividers are preferred, as it is easier to keep both notes and returned assignments/tests. Students will be given guidance in terms of proper binder organization, and homeroom teachers will help monitor binders.

The above list of supplies is not inclusive for the entire school year. The list is meant to ensure that students have everything they need to get started on the right track. Over the course of the school year, some supplies (such as pens, pencils, and lined paper) may need to be replaced or re-stocked.
