Personal Presentation

All students are encouraged to feel pride in being members of CIS, and their uniform identifies them as such. Appropriate dress is expected of all students and good grooming is equally important. Parents will be contacted if the uniform worn by the student is incomplete or inappropriate. Continued violation of uniform expectations will result in disciplinary action.

On designated theme days, students are permitted to wear non-uniform clothes; however, they are expected to wear appropriate, modest dress on these days. Halter/tube tops, short shorts, ripped jeans, yoga pants and bare midriffs are considered unacceptable. Inappropriately dressed students will be asked to change promptly into a school uniform or will be sent home immediately.

School Spirit Days are held every month. This is a day to show either school spirit or house spirit. This is done by wearing school colours or house colours. Spirit Day is not a free-dress day.

CIS uniforms can be purchased from the CIS Uniform Store. Purchase form and measurement guide can be found [here](#).

Students are required to wear their CIS PE kit for all athletic and physical education activities. Students are reminded to maintain good hygiene after participating in strenuous physical activities.

While the uniform store carries a variety of sizes, there are occasions where sizes are not available. We appreciate parent support in ensuring that students' clothing is appropriately always aligned with the school uniform. The School Administration has final word on what constitutes appropriate uniforms.

Uniform Requirements

Grades KG1 - 6

Students are to wear their red CIS uniform shirt with the CIS logo, skirt/shorts purchased from the CIS Uniform Store, and black closed-toe shoes. Shoes should be all black. Sandals, flip-flops, crocs etc. are not permitted.

During the months of December through the end of February, elementary students can wear the red CIS zip front jacket or a plain red zip up jacket with no visible emblems, pictures or labels. Students must wear the uniform under the hoodie and be prepared to remove the hoodie at the discretion of the staff member. Please note that red logo hoodies are not an acceptable uniform item.

Sun Protection:

Skin cancer and melanoma rates are on the rise all over the world, and overexposure to the sun during childhood and adolescence is a contributing factor to the development of skin cancer later in life. To protect students from harmful ultraviolet (UV) rays of the sun, students are strongly encouraged to wear a hat and bring sunscreen to school.

Students wearing religious headgear are expected to wear a monochromatic colour, preferably black, or red, or white. Students are not permitted to wear hats or hoods up inside the school building.
