Your Guide to Parent Communication at CIS Abu Dhabi

At CIS Abu Dhabi, we believe that parents play a vital role in their children’s education. Your involvement and support — both inside and outside the school — help us maintain a safe, happy, and nurturing environment for all students. By staying engaged, you also empower your child to take responsibility for their learning and development, setting them on the path to becoming successful learners today and leaders of tomorrow.

Staying Informed is Easy

We offer a variety of communication tools to keep you updated on your child’s academic and social progress, extracurricular opportunities, school events, and the latest news from CIS Abu Dhabi.

With access to a home computer, laptop, tablet, or mobile phone, you can easily stay connected with all the important updates and resources.

We look forward to partnering with you in your child’s educational journey.
